

**by advertising with the Ed Brown Senior Center
at Rancho Bernardo**

The benefits are twofold:

Your business receives exposure to the fastest growing sector of the community – mature adults! Our monthly newsletter reaches more than 1,000 households in Rancho Bernardo and the surrounding area. There is clear evidence that mature adults are intensely loyal to businesses that support their interests.

The Center receives your support to continue and expand its programs that educate and enhance the health of the community. We are a non-profit group that receives no tax base support so your advertising is a vital part of income.
